Submitted to First Member.

A supplemental memorandum rrom the Muzrai Committee regarding the powers and duties of the Muzrai Superintendent and the Deputy Commissioners has been received. The 1st Member has already perused the original memo of the Muzrai Superintendent which formed the basis for the discussions of the Committee. Some of the suggestions made therein appear to have met with the 1st Member's approval.

2. The main points dealt with are (1) what should be the status and position of the Muzrai Superintendent, (2) what should be his relation to the Deputy Commissioners, (3) what should be the spheres of their respective duties.

On the first point Messrs. A. Srinivasacharlu and H. Ramiah, the only two among the co-operating gentlemen who deal with this question, have also had something to say ~~on the subject~~. Mr. A. Srinivasacharlu is of opinion that the Muzrai Superintendent should be a full time Officer with the rank and powers of the Head of a Department, that the work of a detailed enquiry into the alienations of Inam lands may advantageously be tacked on to him and that it is not necessary that he should be an ex-Officio Secretary to Government. There appears the same confusion in the Govt. Resolution between the Vanamamalai Swamy who passed through the Bombay Presidency last year and Raghavendra Swamy who is to tour there this year. I do not know if it is necessary to point out the mistake as the Resolution might be interpreted to mean that the same arrangements as were given to Vanamala Swamy

Under Secretary to Government.

Letter No. 6883, dated the 23rd September 1914, from the Hon'ble the Resident in Mysore, to the Secretary to the Government of Bombay, Political Department.

I have the honour to refer to my letter No. 4262, dated the 19th July 1913, regarding the proposed tour in the Bombay Presidency of the High Priest of the Sri Raghavendraswami Mutt at Nanjangud in the Mysore State.

2. His Holiness the High Priest, who is now at Mantralaya in the Adoni Taluka, Bellary District, Madras Presidency, has intimated to the Mysore Darbar that he intends to start on his further tour in about a week and expects to visit places in Dharwar, Bijapur and Belgaum Districts of the Bombay Presidency, but that he is unable to fix any definite programme for a leisurely and protracted tour of visitation. General rahadaries applicable to the above three districts are therefore applied for by the Darbar, so that the necessary facilities may be afforded to the High Priest during his tour.

3. In enclosing a copy of the proceedings issued by the Madras Government in connection with the High Priest's tour in the Madras Presidency, I would request that, if there be no objection, instructions may be issued to the Collectors of the three districts concerned to permit the High Priest to proceed with his paraphernalia on his journey through those districts.
